café digital

jobcenter
team.arbeit.hamburg

This project is funded by the Jobcenter team.arbeit.hamburg.

Come visit us!
Test it free of charge and without obligation for one day!

Does this sound familiar?

- ▲ You're having trouble with your smartphone or other digital devices?
- ▲ You want to discover how digital tools can support your everyday life or open up new career opportunities?
- ▲ You're looking for answers, tips and support in the digital world?

Free Introduction Day

Visit us for one day and get inspired by the many digital possibilities – **without obligation and without an appointment!**

Afterwards, you decide together with your contact person at the Jobcenter whether you will be officially assigned to this program.

The café digital

Hands-on technology you can try out – the “café digital” is an open space for all **clients of Jobcenter team.arbeit.hamburg** who have questions about digital tools and technology.

We help you gain confidence for a more relaxed life in the digital world – whether you're just starting out or already have some experience!

Your Opportunities

You're welcome to bring your questions and concerns about digital topics – we're here to support you in areas such as:

- ▲ All kinds of digital communication – from email and messaging apps to video calls
- ▲ Basic computer skills
- ▲ Computer programs and apps
- ▲ Safe and secure internet use
- ▲ Online tools for everyday life – from finding childcare to joining an online fitness class
- ▲ Digital services offered by public authorities
- ▲ The job portal of the Bundesagentur für Arbeit
- ▲ Searching for jobs online and applying digitally

Feel free to bring your own smartphone, tablet, or laptop – we'll answer your questions directly on your device!

If you prefer not to bring one, or don't have one available, you're welcome to use one of ours.

Our Services

In addition to our open access program, where you can explore many things yourself, we also offer training courses and workshops on digital topics. These cover, among other things, the following subjects:

- ▲ Digital communication
- ▲ Information Research
- ▲ Safety and health in the digital world
- ▲ Digital project work
- ▲ Touch-typing method

We also host other events, such as employer presentations, excursions, and expert lectures.

Your Benefits

What you can look forward to:

- ▲ A central, accessible location near Tonndorf train station (barrier-free)
- ▲ Inclusive info/exhibition booths from “café digital-mobile” directly at the Jobcenters
- ▲ Free Wi-Fi and coffee & tea
- ▲ The chance to tackle your personal **digital challenges** – with your smartphone, for example
- ▲ A relaxed café atmosphere with friendly and **trained staff**
- ▲ The **opportunity to try out** the offer for one day without obligation
- ▲ Small group **trainings and workshops** on digital topics for all skill levels
- ▲ Our “café digital lab” (including VR headset and 3D printer) to explore and experiment
- ▲ Printing facilities available
